ARCHITECTS FOR SIMON

The Simon Open Door Homeless Community is in its sixth year and is organised through the Royal Institute of the Architects of Ireland. Our local architect OLS Architects are taking part in the event.

The event takes place on Saturday and Sunday April 24/25. The way it works is the public donate €50 to the Simon Homeless Community and in return they get one hour consultation with an architect of their choice.

The architects give their time and expertise for free in aid of the charity and every single cent raised goes direct to the charity. Ideal if you are thinking of extending, building or remodelling and you just need a bit of advice and direction!

You can sign up for an hour consultation with OLS Architects, or any other architect taking part, by logging onto the official event website www.simonopendoor.ie.
